

Do I Love You?

The Andrews Sisters

Do I love you do I?
Doesn't one and one make two?
Do I love you do I?
Does July need a sky of blue?
Would I miss you, would I, if you ever should go away?
If the sun should desert the day, what would life be?
What would our life be?
Will I leave you, never?
Could the ocean leave the shore?
Will I worship you forever?
Isn't heaven forevermore?
Do I love you, do I?
Oh my dear it's so easy to see,
Don't you know I do, don't I show you I do,
Just as you love me

Do I love you?
Does the ocean ever touch the shore?
Do I love you?
May I never ever sleep no more
Just imagine the earth without the sun & the sky
And imagine my life without you seeing me by

Will I leave you, never?
Could the ocean ever leave the shore?
Will I worship you forever?
Isn't heaven forevermore?
Do I love you, do I?
Oh my dear it's so easy to see,
Don't you know I do, don't I show you that I do,
Just as you love me

Do I love you?
Do I love you, oh my darling?
Honestly do I, do I, do I, do I do?
Don't you doubt the love that I hold?
It will always be there in the void
Do you still want to know if I do love you?
