

# One Mistake

The Andrews Sisters

One mistake, (one mistake),  
Is all I eever made;  
I broke your tender heart,  
A heart that held a love so true.

One mistake, (one mistake),  
And now I've paid, have paid;  
Now I'm comin' back to beg forgiveness  
From you.

Why did I leave you?  
Why did I grieve you?  
Why did I yearn to be free?  
Since I broke the ties,  
I realise  
There's no greater love for me!

One mistake, (one mistake),  
Is all I eever made;  
I broke your tender heart,  
A heart that held a love so true.

One mistake, (one mistake),  
And now I've paid, have paid;  
Now I'm comin' back to beg forgiveness  
From you.
