Razor's Edge

The Angels

Hey you, are you running scared?
Hey you, are you burning?
After dark, pay for fun, take what comes your way
Hey you, do you need to hide away?

What's your name? Another paperback hero
Roll the dice, roll a double zero
On the street, on the hour, on your way somewhere
Who's who? Your habit has flared, who cares?

On the razor's edge
You could lose your head
Living on the razor's edge

You need love, but you want it your way
You go down, and knock on every door
Easy come, easy go, either way you lose
Fool's gold, put the heat on you

On the razor's edge
You could lose your head
Living on the razor's edge

Living on the edge
Living on the edge
Living on the edge
Living on the edge
Living on the razor's edge

Living, living, living on the edge
Look out
Look out, look out, look out
