## The Angels

He comes from a wasteland where stones misdeed into the night t  
hey pretend they feed him, then shoot him down in the search li  
ght

They're putting words in your mouth so you talk like them dress  
ing you up in a straight jacket

Wearing his straight jacket, taking his pay back in scars she l  
ies beside him and tells him that life's not too hard

They're putting words in your mouth so you talk like them dress  
ing you up in a straight jacket  
Caught by the fear and the anger of all you despise wanting the  
feeling of eden, you've learnt how to die
