

# Digital Bath

The Anix

You move like I want to  
To see like your eyes do  
We are downstairs  
Where no one can see new life  
Break away 'cause tonight

I feel like more, tonight  
I

You make the water warm  
You taste foreign  
And I know you can see the cord break away  
'Cause tonight

I feel like more, tonight  
I feel like more  
I feel like more  
Tonight

You breathed, then you stopped  
I breathed then dried you off

And tonight  
I feel, I feel like more  
Tonight I feel like  
I feel like more, tonight  
I feel like more  
I feel like more  
Tonight
