

Give It Up

The Anix

Could you let go of all your lies?
I'm better off without you
Would you reset time to start again?
It seems you're lost, aren't you?

You feel you're lost and you can't be found
You try to stand up but you fall to the ground
Paralyzed you sink back down
Give it up, give it up, oh-oh

Counterfeit a smile one more time
Pretend a while, it's human
You look like stone and shield yourself
Remain unknown, won't you?
(Won't you?)

You feel you're lost and you can't be found
You try to stand up but you fall to the ground
Paralyzed you sink back down
Give it up, give it up (to me), oh-oh (fall)

Can't be it all, can't take it all sometimes
We'll leave it all and live behind a disguise

You feel you're lost and you can't be found
You try to stand up but you fall to the ground
Paralyzed you sink back down
Give it up (to me), give it up (fall)
Give it up (to me), give it up (fall)
(To me, fall)
