

I think it's coming on its own  
In this silence, not alone  
(On your own you start to burn)

I stay awake, won't play your game  
I'm watching you all the time  
Don't let go  
Been up all night, can't win this fight  
Eyes locked on you all the time  
Don't you go  
(Don't let go)

Voices haunt you in the void  
(Lost in shadows, no way home)  
Past regrets, left destroyed  
(On your own you start to burn)

I stay awake, won't play your game  
I'm watching you all the time  
Don't let go  
Been up all night, can't win this fight  
Eyes locked on you all the time  
Don't you go  
Don't let go  
Don't let go  
Don't let go

(Don't let go)  
(Don't let go)

Think it's coming on its own  
(Think it's coming on its own)  
Think it's coming on its own  
(Think it's coming on its own)

I stay awake, won't play your game  
I'm watching you all the time  
Don't let go  
Been up all night, can't win this fight  
Eyes locked on you all the time  
Don't you go  
(Don't you go)
