

## Incomplete

The Anix

In a blur you took me captive  
Lost in a natural high  
Like a spell I'm so enchanted  
Right before you said goodbye

Forsaken, only me  
Unshaken underneath  
Mistaken, forget me  
Awaken incomplete  
Incomplete

Tunnel vision moving slowly  
No end and no escape  
Always running must be lonely  
But something new is taking shape

Forsaken, only me  
Unshaken underneath  
Mistaken, forget me  
Awaken incomplete  
Incomplete  
Incomplete  
Incomplete
