

# Resident One

The Anix

War...war...war...war

Sail away to the other side alone  
Leaving everything they had behind  
Allowing you to lie to erase your crimes  
What a beautiful world you blind

Open up your eyes and see  
Your world come down  
No matter where you hide  
Your secrets will be found  
Won't let you win won't let you win  
Won't let you win won't let you...  
Open up your eyes and see  
Your world come down

Spare resident one to prove you're right  
It's a shame you're the one to blame  
You lead a war and a new pollution  
There's no freedom on the other side

You lead a war  
You lead a war and a new pollute and  
You lead a war and a new pollution  
You lead a war and a new pollution

Open up your eyes and see  
Your world come down  
Open up your eyes and see  
Your world come down

Open up your eyes and see  
Your world come down  
No matter where you hide  
Your secrets will be found  
Won't let you win won't let you win  
Won't let you win won't let you...  
Open up your eyes and see  
Your world come down

Won't let you win won't let you win  
Won't let you win won't let you...
