

# Sinking Alone

The Anix

How could you do nothing at all?  
I think we should end once and for all  
My hopes vanished in air  
Got me thinking, sinking alone  
Alone  
Alone  
Alone  
Alone  
Alone  
Alone  
Alone  
Alone

Are you thinking about me?  
Someone help, tell me something  
Close your eyes, picture perfect  
Visions lie

How could you do nothing at all?  
I think we should end once and for all  
My hopes vanished in air  
Got me thinking, sinking alone

Are you haunted by thoughts of me?  
No one to save you this time  
Shut your eyes, false illusions  
No more lies

How could you do nothing at all?  
I think we should end once and for all  
My hopes vanished in air  
Got me thinking, sinking alone  
Sinking alone  
Sinking alone  
Sinking alone  
Sinking alone  
Sinking alone  
Sinking alone  
Sinking alone  
Sinking alone

How could you do nothing at all?  
I think we should end once and for all  
My hopes vanished in air  
Got me thinking, sinking alone  
Sinking alone  
Sinking alone  
Sinking alone  
Sinking alone  
Sinking alone  
Sinking alone  
Sinking alone  
Sinking alone
