

The Lowdown of a Fool

The Anix

your secrets came out as you rolled your sleeves you've played
the damsel then sharpened up your teeth

the same old story came to an end frustration has paid your deb
t you see the world in black in white all the colors made you b
lind and now you're shadowed in regret

a false delusion grabbed you by the wrist our luck has faded un
til it won't exist

the same old story came to an end frustration has paid your deb
t you see the world in black in white all the colors made you b
lind and now you're shadowed in regret

(break)

the same old story came to an end frustration has paid your deb
t you see the world in black in white all the colors made you b
lind and now you're shadowed in regret
