

# This Machine

The Anix

[Verse 1]

Is this real life or simulation?  
Can't hold on for too long  
Are we wrong or fixated?  
We go on reused

[Pre-Chorus]

They can't stop us  
They can't stop us trying  
They can't stop us  
They can't stop us trying

[Chorus]

I won't let you take me under  
I overload and discover  
I don't believe in this machine  
Controlled by you, going nowhere

[Verse 2]

Is this real love or superstition?  
Are we programmed to abuse?  
If we suspend ourself and wait for darkness  
Can we prolong and seduce?

[Pre-Chorus]

They can't stop us  
They can't stop us trying  
They can't stop us  
They can't stop us trying  
They can't stop us  
They can't stop us trying  
They can't stop us  
They can't stop us trying

[Chorus]

I won't let you take me under  
I overload and discover  
I don't believe in this machine  
Controlled by you, going nowhere

[Outro]

I don't believe in this machine  
I don't believe in this machine  
They can't stop us  
They can't stop us
