

Her Pretty Face

The Apples In Stereo

There used to be our song
Oh no, no
We used to sing along

There I knew you for so long
I don't know, I don't know
I don't know what went wrong

Her pretty face is just for show
Her pretty face is all you know
Her pretty face, her pretty face is...
Is all you know
It's all you know

There we used to get along
Oh no, no
We used to feel so strong

There, till she came along
Never knew, never knew
Anything was wrong

Her pretty face is just for show
Her pretty face is all you know
Her pretty face, her pretty face is...
Is all you know
It's all you know
