

No One in the World

The Apples In Stereo

I don't know, I don't know, I don't know
I don't know what to say.
When you go, when you go, when you go
When you look at me that way.
I don't mind, I don't mind, I don't mind
If you look into my eyes.
There's a line, there's a line, there's a line
That I will not trade for your line.

I gotta tell ya'

Oh, oh, oh, oh, there's no one in the world
Oh, oh, oh, oh, like my little girl.
I gotta tell ya'
Oh, oh, oh, oh, there's no one in the world
Oh, oh, oh, oh, like my little girl.
(Like my little girl x2)
Oooh, like my little girl.

It's alright, it's alright, it's alright
If you wish to socialize (it's alright x4)
You're so nice, you're so nice, you're so nice
And you seem so civilized (you're so nice x4)
In another life, in another life, in another life
Maybe you'd sit by my side (in another life x4)
Not tonight, not tonight, not tonight
'Cause she keeps me satisfied.

Yeah, I gotta tell ya'
Oh, oh, oh, oh, there's no one in the world (there's no one in the world)
Oh, oh, oh, oh, like my little girl. (I gotta tell ya')
Oh, oh, oh, oh, there's no one in the world (there's no one in the world)
Oh, oh, oh, oh, like my little girl.
(Like my little girl x2)
Oooh, like my little girl.

I don't know, I don't know, I don't know
I don't know what to say. (I don't know x4)
When you go, when you go, when you go,
When you look at me that way (When you go x4)
In another life, in another life, in another life
Maybe you'd sit by my side (In another life x4)
Whoa, not tonight, not tonight, not tonight
'Cause she keeps me so satisfied, yeah

I gotta tell ya'

Oh, oh, oh, oh, there's no one in the world (there's no one in the world)
Oh, oh, oh, no, like my little girl (like my little girl)
I gotta tell ya'
Oh, oh, oh, oh, there's no one in the world (there's no one in the world)
Oh, oh, oh, oh, like my little girl.
(Like my little girl x2)
Ooh, whoa, like my little girl.
