

## Play Tough

The Apples In Stereo

Saturday you woke me up from a dream  
Torn out of the pages of a magazine

REPEAT #1:

You got to play tough, my love (whoa)  
You got to play cool (whoa)  
You got to play tough, my love  
When you play me for a fool  
(When you play me for a...)

Saturday you woke me up into a drag  
Peaches in the creases of a plastic bag

REPEAT #1

When you play me for a fool  
A fool  
A fool  
When you play me for a...

Saturday is not the ideal day to break up  
Don't you know it takes a little time to wake up

REPEAT #1

REPEAT #1

(For a fool  
You fool  
You fool  
When you play me for a fool)
