

She's Telling Lies

The Apples In Stereo

She's a little girl that plays tambourine
She's talkin' to the kids in the music scene

She's tellin' lies
She's tellin' lies
She's tellin' lies
And that's my alibi

She's a little girl an' works at dairyqueen
She's talkin' to the kids when they get ice cream

She's tellin' lies
She's tellin' lies
She's tellin' lies
And that's my alibi

She's the one that left me in disgrace- oh no
She can't even look me in the face- oh no

She's a little girl that pushed me around
She's tellin' all the kids that I let her down

She's tellin' lies
She's tellin' lies
She's tellin' lies
And that's my alibi

She's the one who made me wanna die oh no
She can't even look me in the eye oh no
(She's so mean)

She's a little girl
A mean little girl
(She is mean)
