

The Shiney Sea

The Apples In Stereo

i would do anything
to be anywhere else
as it is
as you know
i don't know which way to go
no no no

i would do anything
to do anything else
as it is
as i am
everything is out of hand
no no no

the sea creatures dream
in in their shiney sea
the sea creatures dream
of the briney deep
nonono

i would do anything
to be anything else
as it is
as you know
i don't know which way to flow

and i would do anything
just to peel back the waves
make a hole so i breathe
so i can live under the sea

the sea creatures dream
of the way the world could be
the sea creatures dream
of the shiney sea
no no no

as it is
as you know
i don't know which way to flow
no no no
