

## As The Little Things Go

The Appleseed Cast

Someday you'll wake up.  
And decide you're right.  
You come when you want to.  
Someday you'll wake up.  
And decide you're right.  
Someday you'll wake up.  
And decide you're wrong.  
Come if you want to,  
and they say it's fine.  
Come if you want to,  
and you know it's right.  
Someday you'll wake up.  
And decide you're right.  
Someday you'll wake up.  
And they'll say you're wrong.  
We can change if we want to,  
but it wont be right.
