

Magic Chicken!

The Aquabats

I was born out back
Behind the chicken shack
I was raised in a cardboard box
And before when I was single
I used to hear the chicken jingle
That's how I learned the chicken rock
When I'm in the mood, dude
I get some nuggets and stuff
And head on down to the fights
I'm rolling in my wheelchair
Zipping down the hill
I'm screaming out "chicken"
In the middle of the night

[Chorus]

Ooh ooh, ooh ooh
Chicken makes me feel so good (4x)

When I first met my baby
I was sipping chicken gravy
And I thought I had to close up shop
(Weee pang!)
Now we're weddin' in a chapel
Eating chicken, drinking Snapple
Our chicken love you just can't stop
When I'm done a working
A sweating and a jerking,
And the bossman comes and tells me when
I'm going home to baby
Got my chicken, got my gravy
And we do the chicken dance again

[Chorus]

Do the popcorn chicken
(Do the popcorn chicken)
Do the K-F-C
(Do the K-F-C)
Do the buffalo wing
(Do the buffalo wing)
Do the pioneer
(Do the pioneer)
Can you dig it?
We got the chicken!
Cut it up, cut it up, cut it up
We got some chicken guts
In a chicken cup!

I'm a chicken ma-chine!!!
(4x)

Roscoe's
We got the chicken!
Goldenbasket
We got the chicken!
Popeye's
We got the chicken!

Pappy Parker's
We got the chicken!.

[Chorus]
