

Keep Away

The Aquadolls

keep away
i don't give a fuck what you say
you're too much
too much for me
keep away
i don't wanna hear what you say
you're too much
too much for me

oooooh
ooooh
ooooh
whoa oh whoa oh

keep away
i don't give a fuck what you say
you're too much
too much for me
keep away
i don't wanna hear what you say
you're too much
too much for me

after all that we've been through
and all the bullshit you put me through
now you got to see
if you keep away from me

oooooh
ooooh
ooooh
whoa oh whoa oh
