

# A Man Will Do Wrong

The Arcs

A man will do wrong for the girl he loves  
Even let her break his heart and treat him bad  
Forget about his pride for the girl he loves  
Even though he may know she is bad, hear what I say now

A man will give his best for the girl he loves (Yeah)  
Give up what's right to live in sin, yes, he will  
He can't stay away from the girl he love (Yeah)  
Although she may belong his best friend, and I wanna say now

Yeah (Yeah), yeah-yeah-yeah  
Oh, yeah  
A man will do wrong  
For the girl he loves  
He'll do anything, yes, he will  
Sacrifices he made  
Are all in vain, and I wanna say now

A man has no other like the girl he loves (Yeah)  
And everything he does comes from his heart  
Turn his back on mother for the girl he love  
If mother tries to break them apart, and I wanna say now

Yeah (Yeah), yeah-yeah-yeah  
Oh, yeah  
A man will do wrong  
For the girl he loves  
He'll do anything, yes, he will  
Sacrifices he made  
Are all in vain, and I wanna say now

Yeah (Yeah), yeah-yeah-yeah  
Oh, yeah  
A man will do wrong  
Yes, he will (Yeah)  
A man will do wrong (Yeah)  
For the girl he loves (Yeah)  
A man will do wrong
