Years ago  
Once again for Christmas  
You got all you ever wanted  
Everything forever  
All except the lovin'  
In the know, you just can refuse it  
You can keep your love forever  
Cheatin' all your neighbors  
Cryin' hallelujah

Eyes  
You can't let 'em know  
Eyes  
Never wanna let 'em know

Just like we do  
Candy coated nonsense  
We can talk about the weather  
Cry about whatever  
But do it all together  
Everything  
Everything for granted  
It's like only you can love her  
Taken by your mother  
Who sold it to your father

Eyes  
You can't let 'em know  
Eyes  
Never wanna let 'em know  
Eyes  
You can't let 'em know  
Eyes  
Never wanna let 'em know

Eyes  
Eyes  
It's been this way  
Been this way forever  
Well, at least until tomorrow  
When I come to see you  
Cryin' hallelujah

Eyes  
You can't let 'em know  
Eyes

Never wanna let 'em know  
Eyes  
You can't let 'em know  
Eyes  
Never wanna let 'em know

Eyes
