

Burned Mind

The Armed

The shake...
A rattlesnake in vain
Among gods and alone
Among gods and alone

One break...
I hear the reaper's gong
Among gods and alone
Among gods and alone

Her vacant eyes burned in your mind
Hollowed from West Coast Dreams
Her vacant eyes burned in your mind
Drowned in some wasted alley

Her vacant eyes burned in your mind
Hollowed from West Coast Dreams
Her vacant eyes burned in your mind
Drowned in some wasted alley

The taste...
A glass brimful –
Decay
Among gods and alone
Among gods and alone

The angst in seven hundred rooms
Among gods and alone
Among gods and alone

Her vacant eyes burned in your mind
Hollowed from West Coast Dreams
Her vacant eyes burned in your mind
Drowned in some wasted alley

Her vacant eyes burned in your mind
Hollowed from West Coast Dreams
Her vacant eyes burned in your mind
Drowned in some wasted alley

On a roll, on the row
On a roll, on the row
On a roll, on the row
On a roll, ahh

Her vacant eyes burned in your mind
Hollowed from West Coast Dreams
Her vacant eyes burned in your mind
Drowned in some wasted alley

Her vacant eyes burned in your mind
Hollowed from West Coast Dreams
Her vacant eyes burned in your mind
Drowned in some wasted alley
