

Liar 2

The Armed

Please talk so I don't just give up
Keep talking, I don't give a fuck
Lemme hear those lies
Keep talking, I don't give a fuck
Lemme hear those lies
Keep talking, I don't give a fuck

Snake, pray tell-
Are we close to hell?
As I long for the light
I see the water splash...
Oh my god!
It's a reflection?
Am I where I will die?
How much time
Stuck in this nothing?
I need miracles-

Lemme hear those lies
Lemme hear those lies
Lemme hear those lies
Lemme hear those lies...

Monorails
Bullet trains
The hardest paths
Still lead to graves
You and I-
It's like they say...
The brightest stars shine through darkest clouds

Snake, pray tell-
Are we close to hell?

Keep talking, I don't give a fuck
Lemme hear those lies
Keep talking, I don't give a fuck
Lemme hear those lies
Keep talking, I don't give a fuck
Lemme hear those lies
Keep talking, I don't give a fuck...
