

Maize Maze

The Armed

Terror with the Realization
The need to tear it down and start again

Watch them as they turn
Becoming bitter rivals
Watch them as they turn
Becoming bitter rivals

Operate with an objective mind
Self-aware and able
The end is nigh

Watch them as they turn
Becoming bitter rivals
Watch them as they turn
Becoming bitter rivals

You dropped the ball
You're not the first
Always dead last
Every single friend who's ever left your side
Every single one who's turned
All will end up grounded in the end
No future
