

Sherrie  
You're the only one who gets me  
Thievery  
A passionate rage

It's a coup de coeur  
A stall is a fountain  
A Buddha when made gold  
I get smitten

Prison under plexi  
Fastened oh so tightly  
Thread by thread  
A little looser every time the guard turns

It's a coup de coeur  
A stall is a fountain  
A Buddha when made gold  
I get smitten

Where hands touch we become  
A single composition

Love of form  
Life of crime  
Want it  
Take it  
Break the frame  
Find love
