

NIGHT CITY ALIENS

The Armed

An oath sworn in scars
Omni vortex lies
Accept the order
Ignore the others

The indecent void
Tiny fallen toys

An oath sworn in scars
Omni vortex lies
Enforce the mission
Eyes close at the end of a cross hit

The indecent void
Tiny fallen toys

Cross-country caravan
Night City aliens
I pull the trigger and I feel nothing
Cross-country caravan
Night City aliens
I pull the trigger and I feel nothing

Blinded without time
Curated formal yarn
Accept the mission
Products of indecision

The indecent void
Tiny fallen toys

Cross-country caravan
Night City aliens
I pull the trigger and I feel nothing
Cross-country caravan
Night City aliens
I pull the trigger and I feel nothing
Cross-country caravan
Night City aliens
I pull the trigger and I feel nothing
Cross-country caravan
Night City aliens
I pull the trigger and I feel nothing
