

## Puzzler

The Armed

Dents in your pride...  
Failure, relentless  
In unending waves  
It finds me again  
I'm one of the crowd  
But I know I'm not playing alone...

Dents in your pride...  
Failure, relentless  
In unending waves  
It finds me again  
I'm one of the crowd  
But I know I'm not playing alone...

Everyone's hoping to see me off...
