

Vatican Under Construction

The Armed

I'm drunk and I'm at the broad
Staring at a close
Is this desirable to other people?
These words on the walls are so vague
I really need to know
Drunk and at the Broad

Fast lives
Slow deaths
I wanna feel alright
Fast lives
Slow deaths
I wanna feel alright

Fast lives
Slow deaths
I wanna feel alright
Fast lives
Slow deaths
Just wanna feel alright

I'm feeling gullible
Gonna end class strife
All my consumables
Buy this world more time
I've never set foot in KaDeWe
'Cause I'm feeling gullible
And I'm passing time

Fast lives
Slow deaths
I wanna feel alright
Fast lives
Slow deaths
Just wanna feel alright

Fast lives, slow deaths
Open up your heart
I wanna feel alright
Love comes easily
Fast lives, slow deaths
Like a sugar rush
Just wanna feel alright
Never a second thought

Fast lives
Slow deaths
I wanna feel alright
Fast lives
Slow deaths
Just wanna feel alright

Fast lives
Slow deaths
I wanna feel alright
Fast lives
Slow deaths

Just wanna feel alright

Fast lives, slow deaths
Open up your heart
I wanna feel alright
Love comes easily
Fast lives, slow deaths
Like a sugar rush
Just wanna feel alright
Never a second thought
