

## Come to Me

The Association

Come to me, now that we know where we're going  
Come to me, for the light of dawn is glowing  
Fly with me, just the sun, you and I  
Oh, how high we'll be

Come to me, leave the night time fire in embers  
Come to me, we'll find new warmth to remember  
Fly with me, just the sun, you and I  
Oh, how high we'll be

Ba ba ba ba, ba ba ba ba ba, ba ba ba ba, ba ba

Run to me through the mist of dusk and dawnlight  
Run to me in the glistening crystal sunlight  
Fly with me, just the sun, you and I  
Oh, how high we'll be

Ba ba ba ba, ba ba ba ba ba, ba ba ba ba, ba ba
