

# Goodbye Forever

The Association

Not just another pretty face but more than naked  
Not just another stupid race where no one makes it  
She laid more than her reputation on the line and tried to fake  
it  
He walked in and begged for less in time and couldn't take it  
Goodbye forever, goodbye forever, goodbye

Who paints the pictures for the golden daughter's blind eyes?  
Who makes the snowfall for the aging father's white lies?  
She laid more than her reputation on the line and tried to fake  
it  
He walked in and begged for less in time and couldn't take it  
Goodbye forever, goodbye forever, goodbye

Goodbye forever! Goodbye forever! Goodbye

Not just another pretty bottom but a genuine blue booby  
Not just another pretty bottom but a genuine cheap groovy  
She laid more than her reputation on the line and tried to fake  
it  
He walked in and begged for less in time and couldn't take it  
Goodbye forever. Goodbye forever. Goodbye

Goodbye forever! Goodbye forever! (Baby bye-bye)  
Goodbye forever! (Baby bye-bye) Goodbye  
Oh, yeah, yeah, goodbye forever (Baby bye-bye)  
Goodbye forever (Baby bye-bye)  
Goodbye forever (Baby bye-bye), goodbye...
