

I'll Be Your Man

The Association

Where were you when I need...ed you so
Where were you when I called your name
Where are you now when I need you again
I guess that things just stay the same

Where's the feelin' you told me you had
The feelin' you said would never change
I was again just like all the rest
I guess that things just stay the same

But if we ever meet again (meet again)
And if-a you need a true lovin' friend (true lovin' friend)
Just look my way and give me a smile (give me a smile)
And you can stay with me a...

whi-hi-hile
while
If I could start all over again
You know I'd start again with you
So says my heart but my mind can see
That what we had is through

As long as you can (long as you can, long as you can, long as y
ou can)

I'll be your...

...man
