

# I'm the One

The Association

I'm the one who's at your door  
I'm the one who cares  
I'm not the one to tell you lies  
I won't always be here

And if you want me now I'm sure that  
No one else can love you more  
Oh, I'll love you more

You're the one to touch my face  
Make my gray world bright  
I can't stay, and I can't say  
What's wrong or what is right

So breathe the air that's passing through I'll  
Always be a part of you  
I'm part of you

If you don't have time  
Tell me now and don't waste mine  
I've got other things to do, I've got places to see  
I've got other things to do, they're waiting for me  
They all wait for me

I'm the one who's at your door  
I'm the one who cares  
I'm not the one to tell you lies  
I won't always be here

But if you want me now I'm sure that  
No one else can love you more  
I'll love you more
