

Dynamite

The Asteroids Galaxy Tour

Row my boat into the stream, take me out of town
Heart overcapacity, I need to lay down
Went to get it diagnosed but they couldn't find a cure
Just one thought of your touch got me, got me burnin' up

Oh when you're feelin' that thing
When it's all around and inside your brain now
When your body can't stand no more
And you got to get your feet on the dancefloor
Let's go, let's go, come on
Let's go together
Cause you make me feel alive

It's in me, it's in you
What we we say and what we do
And I think about it all the time
When will you be mine?
Can't you see that it's true
I will always have a thing for you
Move your body, shake it, don't think twice
Blow me up like dynamite

I'm so high, I'm goin' down, hey

Would you be my trigger boy? would you be my knight?
Let me be your number one, let me love you right
I am gonna show you how we do it in the north
Just one taste of my love will take you, take you to the top

So when you're feelin' that thing
When it's all around and inside your brain now
When your body can't stand no more
And you got to get your feet on the dancefloor
Let's go, let's go, come on
Let's go together
Cause you make me feel alive

It's in me, it's in you
What we we say and what we do
And I think about it all the time
When will you be mine?
Can't you see that it's true
I will always have a thing for you
Move your body, shake it, don't think twice
Blow me up like dynamite

It's in me, it's in you
What we we say and what we do
It's in me, it's in you
What we we say and what we do
It's in me, it's in you
What we we say and what we do
Move your body, shake it, don't think twice
Blow me up like dynamite

It's in me, it's in you
What we we say and what we do

And I think about it all the time
Gonna make you mine
Can't you see that it's true
Don't you feel the way I do?
Or is it just inside my crazy mind
You and me till end of time

Gimme gimme gimme gimme gimme
Gimme gimme peace of mind
I need peace of mind

Yeah, if you could only, if you could only be
If you could only be mine

I'm so high, I'm goin' down
I'm so high, I'm goin' down
I'm so high, I'm goin' down...
