## The Asteroids Galaxy Tour

I'll do twenty-two states and half a mile  
Just to see your face before I die  
And I don't care if all the lights are red  
I've got a wild horse running right through my head

Well jeez, Louise, now don't you stop  
'Cause I'm at half way through of having enough  
You and me until we drop  
We're gonna hip shake, escape  
Come on take me to the top

You've got me head over heels on gasoline  
You know how it feels like nicotine  
Head over heels you raise your flag  
Come on bang bang bang give me heart attack  
Heart attack

Burning down the wheels tonight  
Hey! Are you ready  
Burning down the wheels tonight  
Hey! Are you ready  
Burning down the wheels tonight  
Hey! Hey! Are you ready  
Burning down the wheels tonight

My man knows what it's all about  
He will shoot me first then mess me out  
He was meant to be right from the start  
Yeah he carved his name into my heart

Well jeez, Louise, a love roulette  
Yeah we got good times rolling in a red Corvette  
You and me in silhouette  
We're gonna hip shake, escape  
Do the things we never did

You've got me head over heels on gasoline  
You know how it feels like nicotine  
Head over heels you raise your flag  
Come on bang bang bang give me heart attack  
Heart attack

Burning down the wheels tonight  
Hey! Are you ready  
Burning down the wheels tonight  
Hey! Are you ready  
Burning down the wheels tonight  
Hey! Hey! Are you ready  
Burning down the wheels tonight

You've got me head over heels on gasoline  
You know how it feels like nicotine  
Head over heels you raise your flag  
Come on bang bang bang give me heart attack
