

## Out of Frequency

### The Asteroids Galaxy Tour

Now I got you on my mind  
Cause I know, now you're leaving town  
I just wanted you to say  
"Why don't you come, or should I stay?"

You're going away  
I said it's okay.  
Why don't I ask you  
Not to go, and stay  
Go and stay...

Waitin' every day  
Till my mind go mad,  
Will you ever come back?  
Stick around till the sky turn black  
And I hear you say  
I'm on my way  
Got me under your thumb  
What a big fun  
Come around, be my moon and the sun  
Till the day that we're done

Am I blinded by the dark?  
I feel strange now that we're apart.  
I can't seem to find the time,  
For any joy or any thought of light.

Are you okay?  
Tell me, are you okay?  
I'm afraid your  
Way won't ever  
Cross my way  
Cross my way

Waitin' every day  
Till my mind go mad,  
Will you ever come back?  
Stick around till the sky turn black  
And I hear you say  
I'm on my way  
Got me under your thumb  
What a big fun  
Come around, be my moon and the sun  
Till the day that we're done

Now I heard you're coming home.  
Oh I won't take  
A peek out the door,  
I will meet you in the street  
Suddenly, out of frequency.  
I've been okay,  
Yeah, I've been okay.

Why don't you  
Not might go and  
Come and stay.  
Come and stay.

Waitin' every day  
Till my mind go mad,  
Will you ever come back?  
Stick around till the sky turn black  
And I hear you say  
I'm on my way  
Got me under your thumb  
What a big fun  
Come around, be my moon and the sun  
Till the day that we're done

Waitin' every day  
Waitin' every day  
Waitin' every day  
Waitin' every day  
Waitin' every day  
Waitin' every day  
Waitin' every day  
Waitin' every day
