

# Grounded

## The Astronomers

When I was a kid I  
Never knew what it is I  
Mean getting old having kids I  
Thought I'd never say that  
But if I ever have a kid will  
They wanna know what I did will  
They make friends build ships get in trouble

Will you keep me grounded  
When I feel surrounded  
Backed into a corner  
Everything you say  
I'm down with  
Movie night Tuesdays  
Take me to the east bay  
Asking if I'm okay  
It's hard to be my own hero  
When the one I need is not close  
Glad you came around  
All I know now  
Is you keep me grounded

Doo-doo-doo-doo-doo, doo-doo-doo-doo-doo  
Doo, doo-doo-doo-doo-doo, ooh-ooh

When our kid grows up I'll  
Be there for the breakups  
I'll make sure to listen up  
I thought I'd never say that  
But when our kid gets a job will  
One day they be gone will  
They be there when I get I'll  
The more I know

I'll keep you grounded  
When you feel surrounded  
Backed into a corner  
Everything I say you're  
Down with staying in Wednesday  
Talk about the workday  
Asking if you're okay  
It's hard to be your own hero  
When the one you need is not close  
Glad you came around  
All I know now  
Is I'll keep you grounded

Doo-doo-doo-doo-doo, doo-doo-doo-doo-doo  
Doo, doo-doo-doo-doo-doo, ooh-ooh

Oh you keep me grounded  
And we'll ground them too  
If we have to
