

Minnow

The Astronomers

You got me yelling "Minnow, minnow, minnow"
I'll swim across the sea
In the middle, middle
Oh, it's about the little things
I'll try and wiggle, wiggle
Out of the mess, oh best believe
Everyday my heart in it
I got it, oh I'm ready, ready

Oh, my future in my hands
Hold it steady, steady
I need to take it when I can
Just let me, let me
I can't drop the ball again
Just know you got a part in it

I know I'm farther than expected
I know the family getting restless, but
I got a lot up on my checklist
Too much time invested
I got me a few more moves

But when my palm in your hand
I crumble like sand
I know I'd do it over again
I do what I can

You drew a couple pictures with crayon, they're in my kitchen
But when it's time to go
When it's time to leave
I'll be the one who runs your way when you need me

You got me yelling "Minnow, minnow, minnow"
I'll swim across the sea
In the middle, middle
Oh, it's about the little things
I'll try and wiggle, wiggle
Out of the mess, oh best believe
Everyday my heart in it
I got it, oh I'm ready, ready

Oh, my future in my hands
Hold it steady, steady
I need to take it when I can
Just let me, let me
I can't drop the ball again
Just know you got a part in it

We can pull up in a limo, limo
We'll be riding up like a king, make you giggle, giggle
Four o'clock and the bell rings
Going home, making pizza rolls
Get a couple drinks, make a great big fort
And we'll build it out of sheets like a castle

But it's you, me
No hassle

How we supposed to be
Can you tell 'em again, Johnny?

When I come home
I swear I'll never leave
I'll be the one who runs your way when you need me

You got me yelling "Minnow, minnow, minnow"
I'll swim across the sea
In the middle, middle
Oh, it's about the little things
I'll try and wiggle, wiggle
Out of the mess, oh best believe
Everyday my heart in it
I got it, oh I'm ready, ready

Oh, my future in my hands
Hold it steady, steady
I need to take it when I can
Just let me, let me
I can't drop the ball again
Just know you got a part in it

Oh, they got me yelling "Minnow, minnow, minnow"
I'll swim across the sea
In the middle, middle
Oh, it's about the little things
I'll try and wiggle, wiggle
Out of the mess, so best believe

Everyday, everyday
I'm ready, ready
Oh, my future in my hands
Hold it steady, steady
I need to take it when I can
Just let me, let me
I can't drop the ball again
Just know you got a part in it
