

Overthinking

The Astronomers

Over-over-overthinking

Three nights in a hotel room
No time to be on my phone, so I
Take it out on the Uber driver
But he still asked me how my
Du-dun, dun-du-dun, day was
What I had for lunch
How is it five o'clock and I'm starving?
And I don't think that we're done

But you know that I'm still
Over-over-overthinking
That's the price you pay for overdrinking
How did I get high in the bathroom?
Anyway, anyway, yeah
(La-dickda, dickda, dickda)
(La-dickda, dickda, dickda-da-da)
(La-dickda, dickda, dickda)
(La-dickda, dickda, dickda-da-da)

Yeah
It's the third night in a hotel room
And I'm getting sick of this whole damn song
But it's Wednesday and my phone bill's due
But he is still calling asking how my
Du-dun, dun-du-dun, day was
What I had for lunch
How is it five o'clock and I'm starving?
And I don't think that we're done
And I don't think that I'm ready
For what the news has to tell me
Probably just stick to what's healthy
And keep that shit off my mind

But you know that I'm still
Over-over-overthinking
That's the price you pay for overdrinking
How did I get high in the bathroom?
Anyway, anyway, yeah

(La-dickda, dickda, dickda)
(La-dickda, dickda, dickda-da-da)
La-dickda, dickda, dickda
La-dickda, dickda, dickda-da-da
La-dickda, dickda, dickda
La-dickda, dickda, dickda-da-da

But you know that I'm still
Over-over-overthinking
That's the price you pay for overdrinking

How did I get high in the bathroom?
Anyway, anyway, yeah

(La-dickda, dickda, dickda)

(La-dickda, dickda, dickda-da-da)

(La-dickda, dickda, dickda)

(La-dickda, dickda, dickda-da-da, da-da-da)
