Don't Do It

The Atomic Bitchwax

Don't do it cause you know you're gonna end up alone
In your room on the bed dial tone on the phone
Dot it to me, do it to me, do it to me, what you do to yourself
Pack it up, throw it out, photograph on the shelf

If I live my life again,
I gotta tell you,
I do all the things that people told me not to do.

Coming on lika a drug to fill you up in my lungs
Gonna put you in a bottle, drink you up till i'm feeling drunk
Don't do it, don't do it, go away for a while
Don't you ever leave me baby you know you're gonna cramp my sty
le
