

Marching On The Skulls Of The Dead

The Atomic Bitchwax

Can't you read what's written down
Down in the books of understanding
You push to prove you fucking loose
Don't you understand me
But it feels so good and before I die
I'll crush this world with both my feet and fly

Can't you read what's written down
Down in the books of understanding
You push to prove you fucking loose
Don't you understand me
But it feels so good and before I die
Yeah the talk was so cheap I bought five
