

## So Come On

The Atomic Bitchwax

(2x) So come on My love  
So cool above  
You say My love  
I can't wait for it every day  
So come on

Ain't you tired of runnin' around  
This town  
Can't you see  
Now she's calling me  
I get so tired of runnin' around  
Look now  
Can't you see  
They're still watching me

So come on My love  
So cool above  
You say My love  
I can't wait for it every day  
So come on

(2x) Ain't you tired of runnin' around  
This town  
Can't you see  
Now she's calling me  
I get so tired of runnin' around  
Look now  
Can't you see  
They're still watching me
