

Breaking Up

The Auteurs

There's an image...of you
Staring in a baker's window
Sold to the parents of
A gift to the little girl
A present - on the child's birthday

Breaking up is hard to do
Breaking up is hard to do
Breaking up is hard to do
Especially with you
Especially with you

Said you'd leave by Christmas
Said you'd leave by June
Stop drinking from the wild
That's a compromise
Maybe go and see an adult movie

Breaking up is...

And on your birthday
You're 22
Someone's anniversary
Breaking up is hard to do

Breaking up is...

You don't return my calls
Message is not received
Well that's complacent and rude
Abandon your second man
Go out and see a band
Breaking up is hard to do

Breaking up is...
