

Gold Digger

The Automatic

She take my money when I'm in need
Yeah she's a triflin' friend indeed
Oh she's a gold digga way over town
That dig's on me

(She take my money when I'm in need...)
I ain't sayin' she a gold digger
But she ain't messin' wit no broke
I ain't sayin' she a gold digger
But she ain't messin' wit no broke

(I'm in need...)
Get down girl gone head get down...

Cutie the bomb met her at a beauty salon
With a baby Louis Vuitton under her underarm
She said I can tell you rock I can tell by your charm
Far as girls you got a flock I can tell by your charm
And your arm but I'm lookin' for the one have you seen her?
My psychic told me she'll have a ass like Serena
Trina, Jennifer Lopez, four kids
An I gotta take all they bad ass to show-biz
Ok, get your kids but then they got their friends
I pulled up in the Benz, they all got up in
We all went to Den and then I had to pay
If you messed with this girl then you better be paid
You know why? It take too much to touch her
From what I heard she got a baby by Busta
My best friend say she use to mess wit Usher
I don't care what none of y'all say, I still love her

(She take my money when I'm in need...)
I ain't sayin' she a gold digger
But she ain't messin' wit no broke
I ain't sayin' she a gold digger
But she ain't messin' wit no broke

(I'm in need...)
Get down girl gone head get down...

18 years, 18 years
She got one of yo kids got you for 18 years
I know somebody payin' child support for one of his kids
His baby momma car and crib is bigger than his
You will see him on TV any given Sunday
Win the Superbowl and drive off in a Hyundai
She was s'pose to buy you shorty TYCO with your money
She went to the doctor got lypo with your money
She walkin' around lookin' like Michael with your money
Should of got that insured GEICO for your money
If you ain't no punk
Holla 'We Want Prenup' 'We Want Prenup! Yeah!'
It's something that you need to have
'Cause when she leave your ass she gone leave with half
18 years, 18 years
And on her 18th birthday he found out it wasn't his

(She take my money when I'm in need...)
I ain't sayin' she a gold digger
But she ain't messin' wit no broke
I ain't sayin' she a gold digger
But she ain't messin' wit no broke

(I'm in need...)
