Revelation

The Autumn Offering

Welcome the prince of a royal family We accept your heritage, of carnage, and all of the dirty deali ngs Heir to a throne, by all means, necessary All hail to the thieves of democracy Take some action, and reclaim that Which at once, we held in the palms of our hands Overthrow the incompetent Consider the source Off with the serpents head Rape our traditions and values as they are left for dead Victimizing demons while demonizing victims Look past the lie Divide, conquer, pillage, destroy First of the agenda Fulfill the patriarchs revenge And reeking havoc upon our land Let me ask one question, Who children did you slaughter before your rest today Divide, conquer, pillage, destroy Take some action, and reclaim That which at once we held in our hands Overthrow the incompetent Consider the source Off with the serpents head Off with the serpents head Rape our traditions and values as they are left for dead Victimizing demons, while demonizing victims Look past the lie Look past the lie Rape our traditions and values as they are left for dead Victimizing demons while demonizing victims

Look past the lie
