The Avalanches

Is Dexter ill, Is Dexter ill, Is Dexter ill
Is Dexter I'll today, Mr Kirk, Dexter's in school
I'm afraid he's not, Miss Fishborne
Dexter's truancy problem is way out of hand
The Baltimore County school board have decided to expel
Dexter from the entire public school system

Oh Mr Kirk, I'm as upset as you to learn of Dexter's truancy
But surely, expulsion is not the answer!
I'm afraid expulsion is the only answer
It's the opinion of the entire staff that Dexter is criminally insane

That boy needs therapy, psychosomatic,
That boy needs therapy, purely psychosomatic
That boy needs therapy
Lie down on the couch! What does that mean?
You're a nut! You're crazy in the coconut!
What does that mean? That boy needs therapy
I'm gonna kill you, that boy needs therapy
Grab a kazoo, let's have a duel
Now when I count three
That, that, that, that, that boy.. boy needs therapy
He was white as a sheet
And he also made false teeth

Avalanches is above, business continues below
Did I ever tell you the story about
Cowboys! M-M-midgets, the indians and, Fron, Frontier Psychiatrist
I... I felt strangely hypnotised
I was in another world, a world of 20.000 girls
And milk! Rectangles, to an optometrist, the man with the golden eyeball
And tighten your buttocks, pour juice on your chin
I promise my girlfriend I'd, the violin, violin, violin ...

Can you think of anything else that talks, other than a person?
A-a a-a-a-a, a bird? Yeah!
Sometimes a parrot talks

Hello hello hello hello
Ha ha ha ha ha !!!!
Yes, some birds are funny when they talk
Can you think of anything else?
Um, a record, record, record !
