

Teenage Rebel

The Avengers

Everywhere I go people stare
They put me down but I don't care
(They put me down they put me down)
My mirror's telling me my face is a mess
And all my friends
They hate the way I dress

Cause I'm a rebel
Rebel, rebel, rebel, rebel, rebel, rebel,
Rebel, rebel, rebel, rebel, rebel, rebel,
A teenage rebel

Well I'm not in school and I hate work
I break all their rules and they call me a jerk
Everybody's trying to tell me how to live my life
If I hear it one more time from you baby
Gonna slit your gut with a knife

Cause I'm a rebel
Rebel, rebel, rebel, rebel, rebel, rebel,
Rebel, rebel, rebel, rebel, rebel, rebel,
A teenage rebel
