

## Beside the Yellow Line

The Avett Brothers

In time, won't be long  
Until we meet again  
Except we'll just be friends  
My God, yeah I know  
That's just the way it goes  
Out here on the road  
Beside the yellow line

'Bout five years ago,  
I came about this way  
But I doubt they'll know my face  
The land hasn't changed  
The stars still pierce the black  
And I'm glad that I came back  
Beside the yellow line

The mind of a girl,  
It's hard to understand  
But I guess 'cause I'm a man  
Her heart fears are unknown  
Until I am gone  
Gotta leave her all alone  
Beside the yellow line

And the call of the road,  
Unlike the railroad tracks  
Unlike the airplane's path  
Her voice floats through the land  
And it takes me by the hand  
So once again I stand  
Beside the yellow line
