

# Juliet of the Spirits

The B-52's

Juliet, I can feel your glow  
Of passions ready to explode  
Secrets you kept should all be told  
Like blossoms ready to unfold

Juliet, you're not afraid anymore  
Juliet, Juliet, I'm not afraid anymore

Sweet love's comin' on, oh  
Girl can you hear it? Oh, oh, oh  
Standing in the sunshine, oh  
Juliet of the spirits

Pleasure is calling you, oh  
Girl can you hear it? Oh, oh, oh  
Sweet love hon' is what you need, oh  
Juliet, I can feel it

Spirits, let your cool light shine  
Visions swirling, let me tell you mine  
You're a force of nature, can't be controlled  
You know you've got it girl, c'mon and let it show

Juliet, you're not afraid anymore  
Juliet, Juliet, I'm not afraid anymore

Sweet love's comin' on, oh  
Girl can you hear it? Oh, oh, oh  
Standing in the sunshine, oh  
Juliet of the spirits

Pleasure is calling you, oh  
Girl can you hear it? Oh, oh, oh  
Sweet love hon' is what you need, oh  
Juliet, I can feel it

Lady be a cool  
Set your pleasure free  
Lady don't you be a fool  
Let your pleasure go, go, go

Pleasure is calling you, oh  
Girl can you hear it? Oh, oh, oh  
Sweet love 'hon is what you need, oh  
Juliet, I can feel it

Oh, yeah  
Oh, yeah  
Oh, yeah  
Oh, yeah

Oh, yeah
