A Challenge

The Backyardigans

I have a challenge, a daring kind of test

He has a challenge, that's why he needs the best

I have a challenge, I hope you don't protest

Oh king, tell us your challenge, we're ready for our quest!

Will we have to find a princess and climb real high to save her?

This challenge is much harder, you'll have to be much braver

Braver?

Braver! The importance is much graver

Will we journey to the mountains and chase a hairy beast?

The challenge will be tougher, or just as tough at least

Tougher?

Tougher! And perhaps a little rougher!
I have a challenge, for the brave knights of my court

He has a challenge, and we are just the sort

I have a challenge, it could be long or short

Oh please, tell us your challenge, we're ready to report!

Will it test our hearts and souls?

Tell us, please tell us!

Will we battle angry trolls?

Tell us, please tell us!

Will we get to face a... dragon?

Ahhhhhhh! A dragon, a dragon, will we get to face a dragon?

A dragon that breathes fire?

A dragon that goes roar?

Oh, please tell us, please tell us

We can't take it anymore, we can't take it anymore!
